Eager and motivated web developer with hands-on experience in HTML, CSS, JavaScript, and Nodejs. I am also experienced in database design and management, and have worked with various SQL and NoSQL databases.I am a team player with excellent communication skills, and thrive in fast-paced environments. I am constantly learning and adapting to new technologies and frameworks.Overall, I am confident that my skills and experience make me a strong candidate for any backend web developer role.

TECHNICAL SKİLLS

- **Languages:** JavaScript, HTML, CSS, C#, SQL
- **Technologies:** Node.js, .Net
- **Other:** API design, relational databases

TECHNICAL PROJECT

LİCENSE MANAGEMENT SYSTEM

A license management system is a software project that enables businesses to manage and monitor licenses provided to customers for services, including end dates, renewals, and payment compliance.

- This project is built using the .NET Framework and ADO.NET to access data from the data source and SQL for database management.
- As part of my role, I was responsible for developing a desktop application using C#.NET and following an N-tier architecture. This involved designing and implementing a multi-layered architecture to separate the presentation layer, business logic layer, and data access layer of the application.

WORK EXPERIENCE

07/2022 – 03/2023
MODPOS OTOMASYON ÇÖZÜMLERİ |FULL TİME
- My primary responsibility was to develop a C#.NET desktop application to track employees and customers, and control the flow of the database
- I designed and developed a user-friendly interface, integrated it with the database, and implemented features to manage employee and customer data.
- My work improved the efficiency and accuracy of data management processes within the organization.

07/2021 – 08/2021
TESODEV |INTERNSHİP

- During my internship, I took courses in JavaScript and Node.js to improve my web development skills, and then developed a project with the guidance of a course trainer.
- This internship provided me with a valuable opportunity to enhance my skills and knowledge in web development using these technologies.

EDUCATION

09/2018 – 06/2022
BACHELOR DEGREE IN COMPUTER SCİENCE, İSTANBUL MEDENİYET ÜNİVERSİTESİ

LANGUAGES

Arabic (fluent), Turkish (fluent), English (C1).
